

November 24, 1975

To Homeowners in Wesleyan Plaza, Section Two

On Tuesday, November 18, 1975, the Wesleyan Civic Club held its yearly general meeting at River Oaks Baptist Church.

The following were re-elected as Officers for 1975-1976:

President:	J. William Earle	4111 Whitman	626-8943
Vice President:	James Clemens	4019 Norfolk	623-4919
Treasurer:	Joe F. Power	4006 Whitman	623-2674
Secretary:	Mrs. Clyde Steele	4115 Portsmouth	623-4837

Dues were collected at the meeting by Treasurer Joe Power. If you were unable to attend and wish to be a supportive member of our Civic Club, your \$5.00 dues (per year, per family) can be mailed to Mr. Power at the above address.

The principal order of business at this meeting was the discussion of the deed restriction issue. The deed restrictions will be automatically renewed for ten (10) years on January 1, 1976, unless "an instrument signed by a majority of the then owners of the lots has been recorded agreeing to change the said covenants, in whole or in part."

Those in attendance vocally stated their attitudes and desires regarding this matter. A sheet was available which residents signed showing how they felt.

For those who could not attend this meeting, I am attaching a post card and asking that you please check the appropriate box and drop into the mail as soon as possible.

Please give this matter your immediate attention. It's extremely important to all of us.

Sincerely yours,

Sandy Steele
