

May 20, 1970

Dear Residents of Wesleyan Civic Club Area:

(Weslayan Place, Weslayan Plaza, Weslayan Terrace and Lamar Wesleyan Subdivisions)

There will be a meeting of the Wesleyan Civic Club on Tuesday, June 2, 1970, at 7:30 p.m. in the auditorium of Will Rogers Elementary School. It is not necessary for you to be a member of the Wesleyan Civic Club for you to attend.

All residents of the above named subdivisions are eligible for membership, whether they own the residence in which they live, or rent it. It is through this civic club that the things you want done in the area can be accomplished. In the past the civic club has enforced the deed restrictions, and stopped certain residents from conducting business from their home, or otherwise using their property in ways that violate the restrictions. Only through your support can the civic club continue to function in this manner. Dues are \$2.00 per year per family.

An election of officers will be held at the meeting. Those who have been nominated by the Board of Directors are listed below. Nominations will be accepted from the floor.

If you rent your house, will you please call your landlord and inform him of this meeting. We would like very much for the landlords to come and be active in the civic club, since they also have quite an interest in seeing that the neighborhood retains its high quality.

If you have never attended one of the civic club meetings, please come and help that one organization which is dedicated to serving you and your immediate neighborhood. We hope that you will also desire to join the club.

Yours very truly,

Winston P. Crowder  
President
