THE BOARD'S CORNER

----- Peggy Martin

As I see it, our goals should include maintaining all residences in a safe and attractive manner, controlling the proliferation of businesses in our neighborhood, and keeping our taxes at a reasonable level. We now have a very concerned and dynamic group of people working together for a better neighborhood. Let's keep the momentum building throughout the summer.

--- Dot Drummond

Spring is here! What better time to get to know your neighbors? Become acquainted -- discuss mutual problems -- work together on beautifying our community. Let your civic pride show!
